SLOVENIAN OFFICER ASSOCIATION

Sergeant Major Tomaž Lavfižar

LETTER OF RECOMMENDATION

Dear Vice President of the Slovenian Officer Association,

I would like to welcome your readiness to participate in such an important international organization as the AESOR, for the joint effort of the same ranks is one of the preconditions for good cooperation. I am pleased that you have launched the initiative for a full admission of the Slovenian Officer Association to the European Association of Reserve NCOs. At the same time, I am convinced that you will represent the interests of the non commissioned officers of the Slovenian Armed Forces reserve component energetically and to their benefit.

I wish you a successful and fruitful cooperation.

Dr. Ljubica Jelusič
